

**34th Annual EMS Symposium
November 12-14, 2009
Egan Center, Anchorage Alaska
Hosted by Southern Region EMS
Council and State of Alaska
Department of EMS and Injury
Prevention**

- **Are you a great communicator?**
- **Do you have extensive knowledge in EMS or something unique related to EMS to share with your fellow EMS providers?**
- **Then we need you to speak out about it!**

Southern Region EMS Council and the State of Alaska Department of EMS and Injury Prevention are presently looking for speakers for the 2009 Alaska EMS Symposium.

Below are some examples of the topics of interest we are looking for:

- Pediatrics/Geriatrics
- EMS Leadership and Management
- Preparedness
- Injury Prevention
- BLS and ALS
- Train the trainer sessions
- Data and Data Interpretation
- Responder Safety
- Recruitment and Retention
- Clinical offerings
- Other

Keep in mind; these topics above are not all inclusive. If you have a topic that is related to EMS, please send a copy of those topic(s) along with your CV, resume or statement of qualifications that you would like to present on.

- If submitting a statement of qualifications, the statement must include any professional credentials or licenses held or any university degrees, and current job title. If you are qualified through experience not reflected in your current job title, a description of that qualification must be included. Links to or reprints of the speaker's personal web-page will not be accepted.

****NOTE: April 24th is the deadline for submissions****

Please send your information to:
Lee Parham, EMS Training Coordinator
